RE: Wagga Rail Trail Project

Dear Lisa

As the leading advocate for business the Wagga Business Chamber (WBC) is proud to be a vital part of the Wagga Wagga community and is a strong campaigner for its broad and diverse business members to help build a climate of growth and success that benefit the whole region.

The Wagga Wagga Business Chambers supports any concept that potentially increases tourism, enhances infrastructure and increases the economic wellbeing of the community.

The WBC board are of the belief that tourism based infrastructure, like the proposed Wagga Rail Trail from Wagga to Ladysmith, has the potential to bring economic benefits to Wagga Wagga and the region and we encourage any community group to explore the feasibility and possible implementation of projects such as this proposal.

We would like to commend you for your efforts in working towards enhancing our community. Should you require any further assistance please contact the WBC Business Manager on 0448 213 577.

Yours sincerely
